# Tudor Barber Surgeon

## KS2 School Session: History

Travel back to 1574, and receive a Tudor ailment! Will you also get a cure? This was a period of great change for Peterborough and unfortunately also the time of some very nasty diseases and even nastier cures.

### Learning Objectives:

- To gain an understanding of aspects of Tudor life, particularly medicine
- To understand how past knowledge of medicinal herbs has been useful in developing modern drugs
- To be able to compare and contrast Tudor life with life today.

### Links to National Curriculum:

- A significant site and time period locally
- Extending knowledge beyond 1066
- Understanding of British history
- Constructing knowledge from a range of sources
- Constructing informed responses from relevant information
- Devising valid questions
- Evaluate and analyse artworks

### Activity

The Tudor period was a time of very nasty diseases and even nastier cures. With our Tudor surgeon, find out about these illnesses and how changes brought about in the Tudor period altered the way patients were treated and how old ideas were challenged.
